COURSE OBJECTIVES:

1. Do you know where you came from, or how your family landed in Michigan? Did they come here from Europe, or the Underground Railway, have they always been here, or did they move more recently? Dr Jan Sigvartsen PhD, can show you how to find out and trace your family tree back as far as you can go. He followed his own family's family line back to the 800's and is a direct descendant of the Viking King, Olaf the Holy.
2. In this class we will use online genealogy tools to trace our ancestors and discover their stories.
3. Research shows that when we know our past, we feel a sense of place and belonging, even if that past isn't that good. Knowing one's family tree has been associated with improved academic performance and overcoming trauma and adverse childhood experiences. We want to encourage students to dive into their ancestors' stories that they will be able to find in newspapers, and piece together through historical documents.

All our classes are half semester (8 week) programs due to weather constraints.

Dr Jan can't do an archaeology in the snow or frozen ground! But he can teach Genealogy! All his 11 programs do two classes in January and then half of them continue until March. The other half take a break and continue in April when the ground is thawed and we can be outside. This class is in the first half of the semester. **A list of his classes and when they are taught is on the next page.**

If you are eligible, you can register for two of his programs in the Spring 2027 semester – one in the first half of the semester, and one in the second half and not overload your schedule each week!

CLASS TIMES:

*You only attend **one** 2-hour Genealogy 101 class each week FOR 8 WEEKS ONLY – January 7 – February 19. You will get your preferred class time. You can make up missed classes by attending the other time slot if needed.*

- Wednesday 4:30pm – 6:30pm (light meal provided)

SYLLABUS/OUTLINE: Weekly approximate breakdown of activities:

Class 1: (2 hours) January 6 or 8
Tarragindi Archaeology Dig site: 6161 Pheasant Court, Berrien Springs, MI 49103.
This class is the foundation of your program. This is where we look at all the different types of arrowheads that are commonly found in Michigan and learn how to identify and date them. We also

learn how to identify a worked stone at an archaeological dig. We also learn about why stone and wood tools were preferable to iron and steel tools.

Class 2: (2 hours) January 16, 2:30-4:30pm OR January 17, 2:30-4:30pm (attend 1 only)
1860 County Poor Farm Tour (Love Creek County Park, 9292 Huckleberry Rd, Berrien Center)

Did you know most early settlers in Berrien County couldn't tame the land into a workable farm? Many didn't even have the money to go home. That is why Berrien County set up the County Poor Farm that became a thriving community of its own and an example of what can be achieved when communities work together.

Class 3: (2 hours) January 20 or 22
6161 Pheasant Court, Berrien Springs, MI 49013
We will write down your family tree for as far back as you can go. Then we will start to fill in the blanks. Start asking relatives for stories and photographs of your ancestors.

Class 4: (2 hours) January 27 or 29
6161 Pheasant Court, Berrien Springs, MI 49013
We will keep going back in time and discover more relatives. If you hit a wall, don't worry. We can start researching the stories of the people you have.

6161 Pheasant Court, Berrien Springs, MI 49013
We are going to look at Newspapers.com and use this tool to discover stories about our ancestors.

Class 8: (2 hours) February 24 or 26
6161 Pheasant Court, Berrien Springs, MI 49013
This week we will put it all together so you have a good start to your family tree. Now you can keep going using the tools we have shown you how to use.

STUDENT ASSESSMENT

1) Students agree to attend at least 80% of class sessions/lessons offered. We have plenty of classes scheduled so you can easily catch-up missed classes. Attendance is kept online and tracked by Partnership staff. Unexcused absences, or failure to meet the 80% threshold may result in program discontinuation. See Ms Leanne if there is a problem or you need to attend a different class time.

2) The Partnership Student Assessment is filled out by the teacher and turned in to Partnership staff. The rubric is found on the teacher's online attendance sheet. Failing marks for lack of participation, behavior issues, excessive absences, etc. may result in program discontinuation.

3) Other class-specific assessment: Engagement in the program, follow through with instruction, care taken with handling artifacts, and participation in research of artifacts found.

CLASS-SPECIFIC POLICIES:

ZERO BULLYING – we have a zero bullying policy. We want to be a space were people build one another up, not tear each other down. Please report bullying to Ms Leanne immediately. Do not attempt to deal with it yourself or have your parent deal with it.

We work on a compassionate three-warning system. A child engaging in anti-social behaviors will be given a first and a second warning, along with compassionate and clear expectations of future behavior and examples of that behavior. We have only ever needed to give one first warning, due to the efficacy of this compassionate system. However, if a child requires a third warning, they will be removed from all Tarragindi Initiative programming.

ZERO Sexual harassment, profanity, sexually explicit, or crude behavior or speech – we have a strict zero-acceptance policy for anti-social behaviors. Again, we are a space that makes people feel welcome and accepted, not uncomfortable. Please report these behaviors to Ms Leanne immediately. She will deal with it and these behaviors were the topic of her Masters research thesis. Again, grace will be offered along with the same compassionate three warning protocol outlined above.

Withdrawal from the class: If you wish to withdraw from the class, you must do so *following Class 1 (January 6-8) or prior to Class 2 (January 16-17)*. Otherwise, very significant investment will be made in you/your child and their participation in the class that you may be financially responsible for if you withdraw after this. Parent Partnership staff have been advised of our deadlines. If your schedule changes after the Tarragindi withdrawal deadline, please talk to Ms Leanne, as she may be able to work something out for you or schedule another class time for you.

Attendance: If you can't attend the first two classes in January, please let Ms Leanne know so she can arrange a make-up class for you as they are the foundation of the program. Students can attend any of the two scheduled classes each week. They are also welcome to make up a class by attending another class time too.

Weather: It is rare that we cancel class due to rain or snow as we have tents to put over the area. If it is raining hard, the class will be canceled the night before and all students emailed. Check your email before coming to class. No email – class is on. Dr Jan will still go down to the site to ensure everyone got our email message. Double check your spam folder.

Other: Do not enter the Tarragindi site or come onto the property when Dr Jan or Ms Leanne are not there. Stay in your car or a grab a book from the Little Lending Library in front of the property. Be kind to the neighbors by parking in the designated areas – and keep noise to a minimum. Do not remove animals, plants, fungi, artifacts, or anything from Tarragindi without permission. All finds remain the property of the property owner, who may gift them to children at her discretion.
